EPICURE DIGITAL MENU SYSTEM

FREE DESIGN CONSULTATION

Menu boards and displays are available in many styles, sizes and price ranges.

We gladly offer a free estimate.

The variables in designing and pricing an Epicure Digital Menu System are:

- What is your menu?
- How extensive?
- How many food categories?
- Do you have day parts?
- What is its physical size?
- What does your current menu board look like?
- What is the proportion of text to visuals?
- What kind of content and promotions do you use now?
- What kind of content and promotions would you like to use?
- What is the look and feel of your brand and store?
- What is your budget?
