

EPICURE DIGITAL MENU SYSTEM

WEEK-AT-A-GLANCE BOARD

AVAILABLE FOR LCDS AND ONLINE

Week-at-a-Glance Boards are used online and/or as LCD Greeter Boards at cafeteria entrances. For this client, the Board was designed to display the current and next six day's daily specials for each food station. Greeter Boards are not typically designed to display core menu items. As with all Epicure Digital systems, Week-at-a-Glance Boards are engineered and designed to meet each client's needs, and are customized with a client's logos and colors.
